

# About the gate

Constructed from hardwearing treated Scandinavian Redwood. This gate is perfect for the budget conscious customer as it offers both excellent value and quality.

Our beautifully crafted Redwood Slatted Gate is constructed from premium grade treated Scandinavian Redwood.

Ideal as a garden gate for both front and rear gardens. This slatted gate is available in a range of standard sizes and can also be built to bespoke sizes if required. If you are looking for a gate to secure your garden and add a touch of class at a great price then look no further. The contemporary design of this redwood slatted gate is perfect to give your garden space that finishing touch.

These Redwood garden gates have an incredibly strong frame. It comes with a 10 year guarantee! The joinery within this gate is second to none. Horizontal slatted Redwood boards are on the front of this gate and the sturdy frame is on the rear of the gate.
