

## Perfect for a quiet garden read.

Our beautifully made Cedar garden corner bench is perfect for use as a floating bench or can be fitted on top of a wall. Made from Western Red Cedar it add will the finishing touch to any garden space.

Our corner seats are the ideal choice if you are looking for a simple to fit bench that looks stunning in any garden setting. You can create an L shaped or U shaped seating areas perfect for BBQs and entertaining friends using this product

There are lots of ways this corner bench can be installed, The most popular two options are bolting it to a wall to create a floating bench or installing it on top of wall.

Our Corner seating units also match perfectly with straight benches, so if you want to have extra long sections of seating you can simply add more benches alongside each other.

You can also request which sides of your bench have fascia on. As standard we supply the benches with fascia on the front and ends, but sometimes you may also need it on the rear too, if this is the case just let us know.
