Pressure Treated Fencing & Gates

All the benefits of Scandinavian Redwood with a lighter look.

Crafted from durable, pressure-treated timber, this gate offers an excellent balance of quality and affordability, making it an ideal choice for budget-conscious customers.

The beautifully designed Venetian Slatted Gate is constructed from premium-grade, treated Scandinavian Redwood, delivering both elegance and functionality. Its contemporary look makes it an excellent addition to both front and rear gardens.

Available in a range of standard sizes and customizable to bespoke dimensions, this gate is perfect for those seeking to enhance their outdoor space with style and security. The modern design adds a refined touch to any garden setting.

Featuring a robust frame reinforced with timber joints, this gate is built to last and comes with a 10-year guarantee. The meticulous joinery is evident, with horizontal slatted Redwood boards on the front and a sturdy frame at the rear.
