

Our Cedar slatted gates are the perfect compliment for our Cequence fencing

If you are looking for a quality garden gate look no further, this Cedar gate looks stunning and is built to last. Available in a range of standard sizes or can be made a bespoke size on request.

This is our original and popular Cequence slatted garden gate. The frame is made from sturdy Cedar with a slatted panel infill. The battens within this garden gate are square edge with 7mm gaps. The rear of the gate has V supports to strengthen it. The V design means it can be hinged either side.

You may want to order Cedar posts to go with your gate we offer a gate post set that matches perfectly. A range of gate furniture is also available to suit all requirements. if you select a latch from our shop we can also fit this for you together with the hinges.

We recommend Stainless flush hinges for this gate.
